Hi Hadas,

We can look, but it's unlikely that the NPDES permit would have been saved. Only EPA saves documents. I can do this later today.

Subject: Climax Mine

Hi Rose,

Can we look to see if there's any reference to Climax Mine in DARTER? Wondering if there are past permits that might have CPDS files different than the ones we have that might contain other/additional information...

Thanks,
Hadas
